

Purdue University
College of Pharmacy

Plan of Study for Pre-Doctor of Pharmacy at **Saint Mary's College**
Notre Dame, IN

General Chemistry	Principles of Chemistry I	CHEM 121/L
	Principles of Chemistry II	CHEM 122/L
Organic Chemistry	Organic Chemistry I	CHEM 221/L
	Organic Chemistry II	CHEM 222/L
Biochemistry	Biochemistry	CHEM 324
Biology	Foundations of Molecular Biology	BIO 155/L
	Foundations of Ecology and Evolution	BIO 156/L
	Foundations of Cellular Biology	BIO 157/L
	Foundations of Form and Function	BIO 158/L
Microbiology	Microbiology	BIO 216/L
Anatomy & Physiology	Physiology	BIO 228
	Comparative and Human Anatomy	BIO 321
Physics	Intro Topics in Physics: Motion	PHYS 101/L
Calculus	Calculus 1	MATH 131
Statistics	Introduction to Statistics	MATH 114
English/Writing	Composition	
Economics	Principles of Macroeconomics	ECON 251
	Principles of Microeconomics	ECON 252
Communications	Introduction to Communication	COMM 103
	Interpersonal Communication	COMM 200
Social Science/Humanities	Prefer a course in philosophy, logic, ethics, intercultural communications	
<u>One of the following:</u>		
Immunology (RECOMMENDED)	Immunology	BIO 318
Genetics	Equivalency Unavailable	
Cancer Biology	Cancer Biology	BIO 417
Molecular Biology	Molecular Cell Biology	BIO 230
Cellular Biology	Cellular Physiology	BIO 416/L

A minimum of 62 credit hours (includes advanced placement, department credit, pass/not pass, etc.) is required to meet admission requirements. A minimum of 72 credit hours is required to be eligible for professional financial aid (including loans).

This plan of study is specifically designed for Saint Mary's College students preparing to apply for admission to the Doctor of Pharmacy program at Purdue University College of

Pharmacy. Additional information about the College and professional program admissions is located at www.pharmacy.purdue.edu.

Before apply for admission to Purdue University College of Pharmacy, you should contact the Office of Student Services, (765) 496-6885, pharmacy-admissions@purdue.edu, for current and accurate information. You must use the Pharmacy College Application Service (PharmCAS, www.pharmcas.org) to make an application. Purdue does not require the Pharmacy College Admission Test (PCAT).

This document has been prepared with the assistance of Ms. Calli Versagli, Saint Mary's College, cversagli@saintmarys.edu.

The information contained in this document is subject to change as a result of action by federal and/or state governments, the trustees of Purdue University, the administration of Purdue University, and the faculty of the College of Pharmacy.
